Virginia and Melanie
Thank you for the invite. I have travel scheduled for Tuesday but can at least start the call. Lisa Kaulfersch, who will be our new permit review staff person begins her position on Monday. She will join us and hopefully can at least continue to listen in, in my absence.

Jean and Jack,

I wanted to make sure that you are aware of this meeting next week to discuss how the federal objection may be addressed.
Jack, although FWS didn't comment on the Public Notice, if you are available to be on the call, it might be a chance to stay in the loop.

If you aren't available on such short notice, I can fill you in after the meeting.

Thanks,
